I will serve in the following areas: New member Renewal

- Bylaws** – Monitor and amend Association bylaws.
- Political Awareness** – Monitor and positively affect political events affecting the airport. Read local newspapers and monitor broadcasts, political meetings, elections, and legislation for items of interest to airports, especially WST.
- Events** – Suggest, plan and organize activities and events. Coordinate volunteers for each event.
- Facilities** – Monitor and inform WAA of needs and occurrences regarding the airport itself, such as reporting hazards to air safety, equipment problems, etc. Be involved with airport management to work for a safer, better, more attractive airport.
- Education** – Develop programs, especially for the youth of our area, regarding aviation and the airport.
- Public Relations** – Research and produce materials in support of the airport within the local community, such as brochures about WST and its positive impact; act as liaisons between the airport users, management, media, and the community at large. Issue press releases and other publicity about WAA and its events.
- Hospitality** – Make sure one of the most important needs for meetings and events is met: refreshments! Plan and coordinate acquisition, preparation, and servings. Decorate for events, make sure guests are welcomed, etc...the gracious hosts/hostesses of WAA.
- Membership** – Encourage a broad participation in WAA, developing a member roster with depth and commitment – including corporate and business memberships.
